Dear 4-H'ers Enrolled in Horse Project,

The Ellis County Fair will be here soon. We are moving to an on-line entry system. This year, we are asking you to complete and return the enclosed form to the Extension Office **by Friday, June 30** only if you'd like to order photos **AND** go on-line and enter all of your exhibits **by July 10**. The new system will create your entry cards. No more hand writing cards!!

You will enter every animal, showmanship, indoor exhibit and contest participation into this system. Go to <https://www.fairentry.com/Fair/SignIn/1222> to get started. You will log in using your 4-H Online user name and password. There is a help guide posted on the Ellis Co. 4-H Fair page. Call if you have questions.

The system will open June 15 and close July 10.

**4-H Horse Show** – As always, volunteers are needed to help run a safe & successful Horse Show. If you are willing to help out, please contact the Extension Office. Thanks.

**Photo & Frames** - The Ag Livestock Committee will again provide frames for pictures this year. Cost will be \$8.00 per animal. You will receive a framed photo. Horse photos are scheduled for 8:00 a.m. Sunday. **Please make every effort to honor the times posted for taking these photos.**

**READ YOUR FAIR BOOK CAREFULLY for all show information.**

**Website** – This letter and all of the forms are also available for you to print out from the Ellis Co. Extension website. Check it out at [www.ellis.ksu.edu](http://www.ellis.ksu.edu). The forms are listed under the Ellis County Fair 4-H link.

**Fairgrounds Clean Up Night is Wednesday, July 12** – Please sign up for the fairgrounds clean up night **by June 30**. Commerce Bank is sponsoring pizza for all who help and we need to give them a meal count. **Be sure to thank them for this continued support of 4-H!**

**Parking during clean up night** – The fairboard asks that folks not park to the West and North of the small animal barn on clean up night, so that the area can be mowed. Thanks for your help in making that happen.

If you have questions, contact the countywide horse project leaders or the Extension Office. More blank sheets are available, drop by the Extension Office or print directly from the web, if you need more.

See you at the Ellis Co. Fair!

Yours in 4-H,
