

July 5, 2017

Dear 4-H Clothing Project Member,

We were glad to receive your entries for this year's 4-H Fashion Revue. Judging and the Public Fashion Revue will take place on **July 13, 2017** at the Ellis Co. Fairgrounds. Enter through Schenk building doors.

Please be dressed in your first outfit by 15 minutes before your shift begins. Please stay in your first outfit until the judges have taken one last look at the entire group together. If you have an early appointment, you may have time to come and go prior to the Fashion Revue. The public Fashion Revue will be held in the Unrein Family Building, beginning at 6:30 p.m.

There will be a Fashion Revue practice session at the end of each shift on stage in the Unrein Building for you to get the feel of the stage. ***Cloverbuds should plan to attend practice at 5:45 p.m. and then dress for the show.***

The script you submitted will be used for the Fashion Revue. We will double check it at the judging time. If you have things to change on it (like using different accessories than you originally submitted), that will be your chance to make the changes.

Enclosed is a copy of the questions that the emcees may ask you before going on stage to model so that you can think about your answers ahead of time.

The schedule will be posted on the Ellis Co. 4-H page of the website. www.ellis.ksu.edu

There will be call-backs at the end of the public revue, so plan to stay until the end of the 4-H Fashion Revue, so you don't miss out on this important recognition.

There will also be Life Skills judging set up to participate in while you wait or after your shift is complete, from 4:00 – 6:00 p.m.

The 4-H Scholarship & Development committee will offer a foodstand during the afternoon for your convenience.
