

2017 National 4-H Volunteer e-Forum

Coming to Hays, KS

October 5, 2017 – 6:00-7:30 PM (CT)

Cultivating an Environment for Growing True Leaders

This session will help volunteers create environments that encourage growth and opportunity. Presenters will share activities that demonstrate positive youth development and foster life skills.

November 2, 2017 – 6:00-7:30 PM (CT)

“STEM”ming into Animal Science, Growing True Leaders

Gain resources to incorporate Science, Technology, Engineering, and Math (STEM) leaders through traditional animal sciences project areas in communities. During this session, volunteers will gain ideas for planning and organizing fun, educational sessions for youth.

December 7, 2017 – 6:00-7:30 PM (CT)

Helping 4-H'ers Grow in Life & Work

In 4-H, youth can explore their future, develop life skills and expand their interests. Join us during this session to share ideas and see a variety of successful programs and receive resources to use immediately. Together, caring adults can help all young people make decisions and create their own positive future.

Held at the Extension Office
