All sessions will be from 6-8 p.m. and will be conducted through a “high tech/high touch” approach at K-State Research and Extension offices across the state for interactive participation!

The Board Leadership Series provides an opportunity to give community-based boards — elected, appointed, or recognized by local units of government — affordable training necessary to be most effective and efficient with their responsibilities.

Registration will be final on February 10, 2017. To register at one of the host sites contact:
